## BLUE LINE INDUSTRIES

Founded in 2010, Blue Line Industries, LLC is a global provider of products and services in the Civilian and Government market place. We are a fast paced up and coming Defense Contractor with a goal to be a Major Prime vendor within a few short years.

BLI services 4 product service lines (PSLS). These PSLs operate in 4 Divisions:

- ❖ Government Contracting and Procurements
- ❖ Contract Security / Public Safety
- ❖ Contract Investigation Services
- ❖ Police, Military, Tactical and Firearm Parts / Equipment Sales

Our parent company Blue Line Industries, LLC oversees these 4 PSL divisions and is the spearhead of our integrated-services strategy.

Our main focus in our Government Contracting and Procurements office is to collaborate and engineer solutions to maximize asset value for our clients and to be the lead from point A to point Z without our clients worrying if the project will be completed accurately and on time. Our mission as a company is to engineer a solution for all possible out comes of any problem which could arise and to fix those issues before they become a problem for our clients. Our Values are set in stone not only in our company philosophy but also in our track record to deliver a client experience second to none as a globally competitive, creative, and ethical company thru our employees and leadership
